

## LEG- go ... con i piccoli.

Nell'ambito delle iniziative volte all' orientamento degli studenti provenienti dalle scuole secondarie inferiori presenti sul territorio, il progetto LEG-go perché... organizzerà incontri di promozione della lettura nelle scuole interessate. L'iniziativa intende formalizzare e pubblicizzare le buone pratiche già in uso nel liceo, moltiplicare i momenti di coinvolgimento e condivisione tra allievi e, soprattutto, porre le basi per la costruzione di un curriculum verticale relativo all'insegnamento della lingua italiana

Saranno realizzati incontri perché "i piccoli" si innamorino della lettura. Gli studenti del liceo presenteranno loro romanzi o racconti che li hanno interessati e coinvolti
